

# Welcome to Bunloinn Wind Farm Online Exhibition

Due to the current COVID-19 pandemic and in line with Scottish Government guidance, we are unfortunately unable to engage with you in the normal manner.

However, there will be a live Q&A session held on Thursday 18<sup>th</sup> November between 2pm and 6pm where the project manager will be available to speak on the project.

These boards are intended to provide an overview of the changes made since the previous exhibition

We are looking forward to listening to your views and thoughts on this important project!
