ELECTRICITY ACT 1989

TOWN AND COUNTRY PLANNING (SCOTLAND) ACT 1997

**THE ELECTRICITY WORKS (ENVIRONMENTAL IMPACT ASSESSMENT)
(SCOTLAND) REGULATIONS 2017**

Notice is hereby given that Energiekontor UK Ltd, company registration number 03830819, with its Registered Office at 114 St Martin's Lane, has applied to the Scottish Ministers for consent under Section 36 of the Electricity Act 1989 to construct and operate a wind farm known as Acheilidh Wind Farm, approximately 7.6km south-east of Lairg and 8km west of Pittentrail (Central Grid Reference NR 264828, 902670). The installed capacity of the proposed generating station would be over 50MW comprising up to 12 turbines with a maximum ground to blade tip height of 230 metres, and has been subject to Environmental Impact Assessment (EIA). An EIA Report has been produced to accompany the application for consent.

Energiekontor UK Ltd has also applied for a direction under Section 57(2) of the Town and Country Planning (Scotland) Act 1997 that planning permission for the development be deemed to be granted.

A copy of the application, with a plan showing the land to which it relates, together with a copy of the EIA Report discussing the Company's proposals in more detail and presenting an analysis of the environmental implications, is available for public inspection, free of charge on the application website www.energiekontor.co.uk/our-projects/acheilidh or on the Scottish Government Energy Consents website at www.energyconsents.scot under application reference ECU00004528.

The EIA Report is also available for public inspection in person, free of charge at:

Copies of the EIA Report may be obtained from Energiekontor's Project Manager Lauren Mallon (email lauren.mallon@energiekontor.com) at a charge of £1550 per hard copy and free of charge on USB. Copies of a short Non-Technical Summary are available free of charge.

Any representations to the application may be submitted to Scottish Ministers via the Scottish Government Energy Consents Unit, either via the website at <https://www.energyconsents.scot/Register.aspx>; by email to representations@gov.scot; or by post to Scottish Government Energy Consents Unit, 4th Floor, 5 Atlantic Quay, 150 Broomielaw, Glasgow, G2 8LU, identifying the proposal and specifying the grounds for representation. Please note that there may be a delay in the Energy Consents Unit receiving representations by post.

Written or emailed representations should be dated, clearly stating the name (in block capitals) and full return email and postal address of those making representations. Only representations sent by email to representations@gov.scot will receive acknowledgement.

All representations should be received not later than Tuesday 25th of June although Scottish Ministers may consider representations received after this date.

Any subsequent additional information which is submitted by the developer will be subject to further public notice in this manner, and representations on such information will be accepted as per this notice.

As a result of a statutory objection from the relevant planning authority, or where Scottish Ministers decide to exercise their discretion to do so, Scottish Ministers can also cause a public inquiry to be held.

Following examination of the environmental information, Scottish Ministers will determine the application for consent in one of two ways:

- Consent the proposal with or without conditions attached; or
- Reject the proposal.
