

Energiekontor UK Ltd
ELECTRICITY ACT 1989
TOWN AND COUNTRY PLANNING (SCOTLAND) ACT 1997
THE ELECTRICITY WORKS (ENVIRONMENTAL IMPACT ASSESSMENT) (SCOTLAND)
REGULATIONS 2017

Notice is hereby given that Energiekontor UK Ltd, company registration number 03830819 with its Registered Office at Sovereign House, 212-224 Shaftesbury Avenue, London, WC2H 6HQ has applied to the Scottish Ministers for consent under Section 36 of the Electricity Act 1989 to construct and operate a wind farm known as Rowan Wind Farm, approximately 4.5km north-west of Tarbert in Argyll and Bute] (Central Grid Reference NR 81270 70434). The installed capacity of the proposed generating station would be over 50MW comprising up to 13 turbines, battery storage and associated infrastructure with a maximum ground to blade tip height of 200 metres, and has been subject to Environmental Impact Assessment. An EIA Report has been produced to accompany the application for consent.

Energiekontor UK Ltd has also applied for a direction under Section 57(2) of the Town and Country Planning (Scotland) Act 1997 that planning permission for the development be deemed to be granted.

Further information is available for public inspection, free of charge on the application website www.energiekontor.co.uk/our-projects/rowan or on the Scottish Government Energy Consents website at www.energyconsents.scot under application reference ECU00003230.

Copies of the EIA Report may be obtained from Energiekontor's Project Manager, Craig Potter, at a charge of £1,000 per hard copy and free on USB. Copies of a short Non-Technical Summary are available free of charge.

Any representations to the application may be submitted via the Energy Consents Unit website at www.energyconsents.scot/Register.aspx; by email to the Scottish Government, Energy Consents Unit mailbox at representations@gov.scot; or by post to the Scottish Government, Energy Consents Unit, 4th Floor, 5 Atlantic Quay, 150 Broomielaw, Glasgow, G2 8LU, identifying the proposal and specifying the grounds for representation. Please note that there may be a delay in the Energy Consents Unit receiving representations by post.

Written or emailed representations should be dated, clearly stating the name (in block capitals), full return email and postal address of those making representations. Only representations sent by email to representations@gov.scot will receive acknowledgement.

All representations should be received not later than Monday 4th April 2022, although Ministers may consider representations received after this date.

Any subsequent additional information which is submitted by the developer will be subject to further public notice in this manner, and representations to such information will be accepted as per this notice.

As a result of a statutory objection from the relevant planning authority, or where Scottish Ministers decide to exercise their discretion to do so, Scottish Ministers can also cause a Public Local Inquiry (PLI) to be held.

Following examination of the environmental information, Scottish Ministers will determine the application for consent in two ways:

- Consent the proposal, with or without conditions attached; or
- Reject the proposal

General Data Protection Regulations

The Scottish Government Energy Consents Unit processes consent applications and consultation representations under the Electricity Act 1989. During the process, to support transparency in decision making, the Scottish Government publishes online at www.energyconsents.scot. A privacy notice is published on the help page at www.energyconsents.scot. This explains how the Energy Consents Unit processes your personal information. If you have any concerns about how your personal data is handled, please email Econsents_admin@gov.scot.
