

Energiekontor UK Ltd
ELECTRICITY ACT 1989
TOWN AND COUNTRY PLANNING (SCOTLAND) ACT 1997
THE ELECTRICITY WORKS (ENVIRONMENTAL IMPACT ASSESSMENT) (SCOTLAND)
REGULATIONS 2017

Notice is hereby given that **Energiekontor UK Ltd**, company registration number **03830819**, with its Registered Office at Sovereign House, 212-224 Shaftesbury Avenue, London, WC2H 8HQ, has applied to the Scottish Ministers for consent under Section 36 of the Electricity Act 1989 to construct and operate Craiginmoddie wind farm within South Ayrshire Council, approximately 4km south east of Dailly (Central Grid Reference **NX 313988**). The installed capacity of the proposed generating station would be over 50MW (around **99.4 MW**) comprising **14 turbines with a ground to blade tip height of 200 metres**. The proposed development is subject to Environmental Impact Assessment and an **Environmental Impact Assessment (EIA) report** has been produced.

Energiekontor UK Ltd has now submitted additional information to Scottish Ministers, which includes information relating to Landscape and Visual Impact, Noise and Private Water Supplies.

Copies of the additional information can be viewed on the application website at <https://www.energiekontor.co.uk/our-projects/craiginmoddie> or the Scottish Government Energy Consents website at www.energyconsents.scot under application number ECU00002196.

Copies of the additional information may be obtained from **Energiekontor UK Ltd telephone: 07833 452279** at a charge of **£25** hard copy and **£15** on CD or memory stick.

Any representations to the application may be submitted via the Energy Consents Unit website at www.energyconsents.scot/Register.aspx; by email to the Scottish Government, Energy Consents Unit mailbox at representations@gov.scot; or by post to the Scottish Government, Energy Consents Unit, 4th Floor, 5 Atlantic Quay, 150 Broomielaw, Glasgow, G2 8LU, identifying the proposal and specifying the grounds for representation. Please note that there may be a delay in the Energy Consents Unit receiving representations by post.

Representations should be dated, clearly stating the name (in block capitals), full return email and postal address of those making representations. Only representations sent by email to representations@gov.scot will receive acknowledgement.

All representations should be received not later than 13th December 2021 although Ministers may consider representations received after this date.

Any subsequent additional information which is submitted by the developer will be subject to further public notice in this manner, and representations to such information will be accepted as per this notice.

As a result of a statutory objection from the relevant planning authority, or where Scottish Ministers decide to exercise their discretion to do so, Scottish Ministers can also cause a Public Local Inquiry (PLI) to be held.

Following examination of the environmental information, Scottish Ministers will determine the application for consent in two ways:

- Consent the proposal, with or without conditions attached; or
- Reject the proposal

All previous representations received in relation to this development remain valid.

General Data Protection Regulations

The Scottish Government Energy Consents Unit processes consent applications and consultation representations under The Electricity Act 1989. During the process, to support transparency in decision making, the Scottish Government publishes online at www.energyconsents.scot. A privacy notice and a fair processing notice are published on the help page at www.energyconsents.scot. These explain how the Energy Consents Unit processes your personal information. If you have any concerns about how your personal data is handled, please email us at: Econsents_admin@gov.scot or write to Energy Consents Unit, 4th Floor, 5 Atlantic Quay, 150 Broomielaw, Glasgow, G2 8LU
