ELECTRICITY ACT 1989
TOWN AND COUNTRY PLANNING (SCOTLAND) ACT 1997
THE ELECTRICITY WORKS (ENVIRONMENTAL IMPACT ASSESSMENT) (SCOTLAND)
REGULATIONS 2017

Notice is hereby given that Energiekontor UK Ltd, company registration number 03830819 with its Registered Office at 114 St Martin's Lane, Covent Garden, London, United Kingdom has applied to the Scottish Ministers for consent under Section 36 of the Electricity Act 1989 to construct and operate a wind farm known as Breackerie Wind Farm, located approximately 8km south-east of Campbeltown. The installed capacity of the proposed generating station would be over 50MW comprising up to 13 turbines with a maximum ground to blade tip height of 200 metres and has been subject to Environmental Impact Assessment (EIA). An EIA Report has been produced to accompany the application for consent.

The Company has also requested a direction under section 57(2) of the Town and Country Planning (Scotland) Act 1997 that planning permission for the development be deemed to be granted.

Energiekontor UK Ltd has now submitted additional information to Scottish Ministers, which includes information relating to a revised Outline Habitat Management Plan to include a new area of peatland restoration on site, and other associated amendments.

A copy of the additional information and the application, with a plan showing the land to which it relates, together with a copy of the EIA Report discussing the Company's proposals in more detail and presenting an analysis of the environmental implications, is available for public inspection on the Scottish Government Energy Consents website at www.energyconsents.scot under application reference ECU00004507. It can also be viewed free of charge at Campbeltown Library, during the following times;

The information can also be viewed on the Scottish Government Planning and Environmental Appeals Division website at www.dpea.scotland.gov.uk under case reference WIN-130-9.

Copies of the additional information may be obtained from Energiekontor UK Ltd (craig.potter@energiekontor.com) for a charge of £100 for a hard copy and £15 on USB (including post and packaging).

Any representations to the application may be submitted by email to the Scottish Government Planning and Environmental Appeals Division mailbox at DPEA@gov.scot, or by post to Planning and Environmental Appeals Division, Ground Floor, Hadrian House, Callendar Business Park, Callendar Road, Falkirk, FK1 1XR, identifying the proposal and specifying the grounds for representation.

Representations should be dated, clearly stating the name (in block capitals), and full return email and postal address of those making representations. Only representations sent by email to DPEA@gov.scot will receive acknowledgement.

All representations should be received not later than 27th January 2025, although Ministers may consider representations received after this date.

Any subsequent additional information which is submitted by the developer will be subject to further public notice in this manner, and representations to such information will be accepted as per this notice.

Following examination of the environmental information and all views and representations received, Scottish Ministers will determine this application for consent in one of two ways:

- Consent the proposal, with or without conditions attached; or
- Reject the proposal

All previous representations received in relation to this development remain valid.
